Girl Scouts Go To San Moritz

Members of Girl Scout Troop 586 recently spent several days at the Chimes cabin in San Moritz. The girls left home early in the morning and arrived at the cabin in time for lunch. Next duty was to make beds. All meals were planned and prepared by the Girl Scouts. The evening was spent knot tying, singing and playing games.

Breakfast the second day was followed by games and lunch. In the afternoon it began to snow. This was a new experience for many of the girls and they enjoyed building snowmen. Members learned the use of the knife and axe. Supper was followed by charades and popcorn.

After breakfast of the third day the Scouts went ice skating. Lunch at the lodge and the trip home followed. A stop at the Pomona Humane Society allowed the girls to obtain information to help them with their badges.

Parents accompanying the Scouts were Mr. and Mrs. Floyd, Mrs. Hale, Mrs. Grubb and Mr. and Mrs. Wahl. This troop is sponsored by the Fern-Greenwood PTA.

CASH AWARDS WON—Students from high schools in this area won cash awards in the semi-finals of the Bank of America Achievement Awards program. Left to right are R. E. Robbins, coordinator and vice president and manager of Long Beach main office of Bank of America; Dr. George E. Dotson, presenting checks as chairman of the judging committee; Thomas Carter, Torrance High School.

Dope Case Suspect Arrested

A North Hollywood machinist, who police say, was well supplied with narcotics, was arrested early Tuesday near Sepulveda Blvd. and Madrona ave.

The suspect, arrested for possession of narcotics, was identified as Thomas Carl Hester, 22, of 13416 Saticoy ave., North Hollywood.

Officers Bruce R. Bishop and E. Glyn Boyce said the car contained a complete "fix" kit, including eye dropper, spoon, benzadrine tablets, a marijuana cigaret and some marijuana in loose form, and amphetamine tablets.

The arresting officers said that when they questioned Hester about the tablets, they were told:

"You know what they are. They are bennies."

Lt. D. C. Cook, head of the juvenile bureau, said he will seek a felony complaint against the suspect.

Torrance Mother Wins Competition With Best Poster

Winner of the 1958 cover and poster design contest held in conjunction with the annual El Camino College spring musical is the mother of four children who attends evening classes and works.

Mrs. Dorothy Sutton, 3743 W. 176th st., Torrance, was named today as the unanimous choice of the six judges who studied more than 30 entries in the annual contest.

The winner's poster, prepared to publicize the forthcoming campus production of Grieg's "Song of Norway," was described as simple in design. It features three basic colors, black, brown and white.

Programs will follow a design adaptation of the poster, Hamilton M. Maddaford, assistant director of student personnel and a member of the judging staff, noted.

Mrs. Sutton is enrolled in the college advertising design course of study.

Judges were Maddaford, R. Neil Hill, Burnett Ferguson, Calvin Greer, Les Thomas and Willis Weber, all members of the college instructional or administrative staff.

Trio of Torrance Students Wins in Zone Competition

Two Torrance boys and a girl were named Zone 5 winners in the Bank of America's annual statewide Achievement Awards program.

Anita Wood won in the vocational arts category and Thomas Carter in science and mathematics. Both attend Torrance High School.

William Lee of North High School won in the liberal arts class.

They will compete in the Southern California finals May 22 at the Statler-Hilton Hotel, Los Angeles.

College Teacher Heads New Field

Stuart M. Friedman, mathematics instructor at Harbor College since 1953, has been named chairman of the newly created Mathematics-Physics Division at the college, according to an announcement made today by Administrative Dean Hazel M. Whelan.

The new division will include mathematics, physics, general engineering, and astronomy, which are being transferred to it from the Natural Science Division. Increasing enrollments and additional emphasis upon science make this first major change in the college organization necessary now, although it has been planned for several years.

Friedman, a veteran of World War II, is the holder of B.A. and M.A. degrees from Columbia University and was a college instructor in New York before coming to California. At Harbor he has taught mathematics and physics and has a long record of service in curriculum planning and other college activities.

Another Film Trip Planned by C. of C.

Another Torrance Night at the Cariday Circle to view "Around the World in 80 Days" has been scheduled for May 18, it was announced today by President O. R. Trueblood of the sponsoring Torrance Chamber of Commerce.

Chairman J. H. Paget said the second "Torrance Night" was the result of a great public interest in attending the film classic.

Arrangements have again been made for round-trip bus transportation at 75 cents per person. Reserved tickets are now on sale at the Chamber of Commerce office, 1345 El Prado, Paget added. Show time is 7 p. m. to 10:10 p. m.
